

US TAIWAN HIGH-TECH FORUM

行政院國家科學委員會
National Science Council

北美台灣工程師協會
North America Taiwanese Engineers' Association

2006 US Taiwan High-Tech Forum: The World with RFID

臺美產業與技術高峰論壇：無線識別

- Provide a channel for networking with the mainstream RFID technology and standard leaders
- Gather experts and associates across the Pacific to share the knowledge and experiences in RFID areas.
- Explore business opportunities for enterprises, entrepreneurs and VCs alike in RFID areas.
- Promote the collaboration and interaction between RFID technology and solution communities of Taiwan and Silicon Valley

Date & Time: 10/14/2005 (Saturday); 8:30am - 5:20pm

Place: Biltmore Hotel & Suites (Free Parking)

2151 Laurelwood Road, Santa Clara, CA 95054
